#### Dear friends,

I met a nice, young woman recently—in her 30s, very career-oriented. When she learned about my connection to Stampin' Up!, the first thing she said was: "I'm not creative". I smiled because I've heard that before. Thousands of times.

I've also seen it. Sometimes guests arrive at Stampin' Up! gatherings with expressions that seem to say: "I can't do this". Notice the pattern? "I'm not", "I can't". Yet by the end of the party, they are chatting, laughing, and having a great time. What inspires the change?

Given the chance, I think everyone can move from "I can't" to "I can". Occasionally all that's needed is time spent around creative people—at a Stampin' Up! gathering, for instance. Mentors (like a demonstrator) can be invaluable, as can products that are designed to encourage creativity.

However long you've been crafting, I think you'll find something that's right for you within the pages of this catalogue—something that will help you say "I am a creative person". Enjoy the journey!

## Take a SIP

When it comes to stamping, just remember the basics: Stamps, Ink, and Paper (SIP). You've seen the stamps—now the next few pages will introduce you to the ink and paper to go with them!

#### Cardstock • P. 142-144, 153

Classic, heavyweight cardstock is dyed all the way through so you won't see any white edges when you cut or tear, except on basic Whisper White.

### Classic Stampin' Pads & Ink Refills • P. 142–144 Flip-open, stackable Classic Stampin' Pads store ink upside

down on firm foam. Ink is fast drying, dye based, and acid free. Refills are available separately. Refills: 0.5 fl. oz. (14.8 ml) each.

### Stampin' Write Markers • P. 143-144

Stampin' Write markers have a broad tip for colouring and achieving unique colour effects and a fine tip for writing.

### Watercolor Pencils • P. 144

High-quality colour pencils are perfect for adding colour to your stamped images.

#### Designer Series Paper • P. 148-150

Designer Series Paper comes in many beautiful designs and colours that often coordinate with other products in the catalogue.

### Stampin' Blends • P. 142-143

Alcohol-based Stampin' Blends include a dark shade and a light shade in each combo pack for colour blending options. Use the Color Lifter to add highlights and dimension.

### Ribbon & Trim • P. 160-161

Beautiful trims come in a glorious array of sizes, textures, and patterns.

### Embellishments • P. 156-158

Enhance your project with fun custom embellishments.

You'll find ink and paper in a full spectrum of colours that are listed in collections: Basics, Brights, Neutrals, Regals, Subtles, and In Color.

Start simple: Pick one colour or one collection. Then, when you're ready, mix and match colours from the different collections to suit your needs.

Build on the basics by adding embellishments, many of which are also designed to coordinate with the colour collections.
